Emergency Preparedness and Lab Safety Meeting

Friday

August 26, 2022

4:15 PM

HELD via ZOOM

<https://oklahoma.zoom.us/j/95534723041?pwd=QW5zQ3R4Q1RPaFI0TTM1WlJwa0FBZz09>

Everyone is required to attend the meeting!

Fire extinguisher training is required for all new department personnel.

A sign-up sheet for the hands-on fire extinguisher training is located in the mailroom. Please sign up by noon (12pm) Wednesday, August 24.

Fire Extinguisher training will be immediately following the seminar in SLSRC 1000.

This meeting will cover topics including Fire Safety and proper laboratory safety procedures. Speakers will include personnel from the Fire Marshal's Office and the Environmental Health and Safety Office (EHSO).

Attendance will be taken throughout the meeting. Make sure your entire name is clearly identified on-screen when logging in.
