Review of Minutes

The minutes from the February 25th meeting were reviewed. A motion was made and seconded to approve the minutes. The motion passed by voice vote.

Agenda Items

1. Sub-Teams

The list of DART sub-teams was reviewed. First meetings have been scheduled. David Wilkins will be setting up a One-Drive group for each sub-team, as well as a separate group for the various group leaders.

2. Tools Survey

David Wilkins shared a draft list of reporting tools that will be coming out on an upcoming survey.

3. Student System Support (S3) Portfolio

Glenn Crouch presented a draft chart of the various areas of responsibility for the S3 team within IT, showing the current thinking on how they would be interacting with the OCRC process moving forward. The discussions are ongoing within IT.

4. Faculty Reporting Needs

The recent Reporting Survey uncovered the issue of faculty reporting as a previously unmet need. To begin addressing that topic, there will be a meeting on April 14th at 3PM in Collins Hall, room 237. The meeting is open to everyone interested in attending.

5. Long-Term Strategies within Main Campus IT

Nick Key and Jeff Wall gave a short presentation on the long-term data strategies, including the new Informatica and MuleSoft tools that are currently being deployed.

6. Data at the University Libraries

James Adams gave a short presentation on the various tools and uses of data within the University Libraries.

Announcements and Discussion

- a. The Cognos 11.0 deployment roadmap is under review
- b. The next DART meeting will be held at 8:30 AM, April 28th, in room 220 of Devon Hall.

The meeting was adjourned, 9:55 AM.
