

The Oklahoma Microscopy Society Presents

KID'S NIGHT

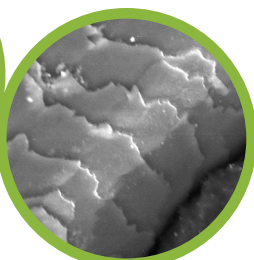

WITH A SCANNING ELECTRON MICROSCOPE

Thursday, April 12, 2018 | 5:30-8 p.m.

OSU Center for Health Sciences

A.R. and Marylouise Tandy Medical Academic Building
1111 W. 17th Street | Tulsa, OK

- Bring your parent and your own specimen (bug, snake skin, finger nail, bug part, blade of grass, etc.)
- You will operate an actual Scanning Electron Microscope
- The specimen can be almost anything since the microscope is variable pressure SEM that can look at non-conductive samples
- All participants will receive an Ugly Bug poster
- To RSVP, contact Dr. Billy Meek by April 9, 2018 at **bill.meek@okstate.edu** or **918-561-8258**
- Pizza and drinks will be provided
